Disclosure

Commissions, trailing commissions, management fees and expenses all may be associated with mutual fund investments. Please read the prospectus before investing. The indicated rates of return are the historical annual compounded total returns including changes in unit value and reinvestment of all distributions and do not take into account sales, redemption, distribution or optional charges or income taxes payable by any unitholder that would have reduced returns. Mutual funds are not guaranteed, their values change frequently and past performance may not be repeated.

The Investment Growth chart and Performance returns are used only to illustrate the effects of the compound growth rate and are not intended to reflect future values of the investment fund or returns on investment in the investment fund.

The Morningstar Rating reflects how a fund has performed on a risk-adjusted basis against its Morningstar category peers and is subject to change every month. Funds are ranked by their Morningstar Risk-Adjusted Return scores with the top 10% of funds in a category receiving 5 stars, the next 22.5% receiving 4 stars, a fund in the middle 35% receiving 3 stars, a fund in the next 22.5% receiving 2 stars and a fund in the bottom 10% receiving 1 star. Funds are rated for up to three time periods: 3, 5 and 10 years. These ratings are combined to provide an Overall Star Rating for a fund. Overall ratings are adjusted where a fund has less than 5 or 10 years of history. For further details see www.morningstar.ca.
